

## Donations to Offset Expenses Incurred in Member Rights Effort

Members, as you are all well aware, starting in the August timeframe the Members Committee lead by Eastern and Rocky Mountain Divisions secured outside legal representation to clarify and modify Ski Patrol corporate governance and Member Rights under the Colorado Nonprofit Corporate Law. To help offset the litigation expenses incurred with respect to corporate governance and Member Rights, a dedicated trust account has been established to accept NSP member donations.

Your tax deductible contributions will be used exclusively to offset litigation expenses associated with the Members Rights Effort as it relates to NSP governance. No Member donations will be used for any personal obligations or by the Patroller Committee.

Rocky Mountain Division Treasurer, Scott Tucker is managing the dedicated trust account. Make checks or money orders payable to: **The Member Rights Trust Fund**, no cash please.

Please mail your contributions to:
