

**EASTERN DIVISION
NATIONAL SKI PATROL**

March 15, 2006

Mr. Richard Everett
Interim National Chair
National Ski Patrol
P.O. Box 7573
Missoula, Montana 59807-7573

Dear Mr. Everett:

The National Ski Patrol is unique in many ways. We serve our organization because of our love for the sport, our desire to help the public and to share a common bond with others that feel the way that we do. Each leader of the NSP has authority because the members grant that authority. It is not ordained through appointment, election, commission, or by charter. We are leaders only because Patrollers allow us to lead. This authority is a gift that must be cherished and tended with care.

The Eastern Division Board of Directors, formed by the fifteen Region Directors who were elected by the members of our division, has unanimously agreed that we no longer have confidence in your ability to lead our organization in the direction desired by the Patrollers of our Division. We therefore, with utmost regard for your past service to the National Ski Patrol, respectfully request that you resign your position as our Interim National Chairman and member of the National Board of Directors.

In the past, Patrollers have been patient and given new NSP leaders significant time to find the appropriate leadership path. Unfortunately, we can no longer afford to do this.

Respectfully,

Richard F. Hamlin
Division Director
Eastern Division, NSP

And the undersigned Eastern Division Board of Directors:
